Operating Systems: Linux, Windows

Soft Skills: Teamwork, Problem- Solving, Communication

Projects

1. **Project Title:** [Web Project Spring 25 26 G6](#)
 - We built this platform for our Web Technologies course at AIUB. It connects employers and job seekers, allowing employers to post roles and track applicants through a centralized dashboard.
2. **Project Title:** [Software-project-CycloneSafe](#)
 - CycloneSafe – A user-friendly mobile app that bridges the information gap during cyclones by delivering real-time alerts, practical safety guidance, and step-by-step emergency plans to help communities stay safe.
